

Australian Jet Adventures - How to find us at Ballarat Airport

Ballarat airport is located on the western side of Ballarat with the highway passing just to the north of the airport. The easiest way to get to the airport is to stay on the highway until the airport exit. The airport exit is some 11km's after the first Ballarat turnoff.

The image on the left is the first exit you will see for Ballarat when you come up the highway from Melbourne. **DON'T** turn here but stay on the highway.

At 1km past first turnoff is the Daylesford turnoff. **Don't** go here!

At 8km's past first turnoff is the Creswick turnoff. **Don't** go here!

At 9km's past first turnoff is the Wendouree turnoff. **Don't** go here!

At 11km's past first turnoff is the AIRPORT turnoff. **Go LEFT** here!

Once off the highway you go about 200m and then turn left

A further 500m will find you at the airport access road. Turn right here and the airport entrance is just under 2km's

As you drive into Ballarat Airport the first turn to the right will be appear as shown in the picture.

Notice the sign on the left "Airport Entrance" this is the only such sign at the airport so when you see this turn right.

Immediately after you turn right you will see view which appears at the left. You need to drive straight ahead for around 400 metres.

You'll notice an Australian Jet Adventures sign after about 100 metres - don't turn here just continue on through.

There is a note at the bottom of this sign which says "Continue through to Hangers".

You will come to branch in the road where you need to turn right.

You'll notice an airport map as shown in the picture. This is the place to turn right.

Once you turn right you need to proceed straight ahead to the carpark. Park your car there.

The arrow indicates the hangar we are located in. There is a path beside the building indicated by a white line along side the building. Stay between the line and the building and walk to the front of building where the office is situated. doors.

Hangar space is shared with other companies so please DO NOT enter through the hangar.
