

# Flight of a Lifetime

## Choose your mission:

- Top Gun style Jet Fighter Flight
- Aerobatic Flight
- Air Combat Dog Fight
- Formation Flight

## Choose your aircraft:

### Yak 52

Here is your chance to fly in a genuine ex-Russian Air Force supercharged 9 cylinder 360hp radial engine Yak 52 reaching speeds in excess of 400 km per hour (400 km/hr) and topping G limits of up to +9 and -7.

### Strikemaster Jet Fighter

Fly at speeds of up to 900 km per hour (900km/hr) performing aerobatics that you have only dreamed about.

Don your flight suit, slim line parachute and fighter pilot helmet and be strapped in right next to the pilot in the British Aerospace built Strikemaster Jet Fighter equipped with climate control, pressurised cockpit, oxygen and a clear canopy encapsulating your uninterrupted view as the world rushes by.

Thrill to the power of the mighty Rolls Royce jet engine in the most powerful, fastest and most manoeuvrable British built civilly owned Jet Fighter in the country.

Australian Jet Adventures is Australia's Premier Adventure Flight tourism operator offering ordinary people the opportunity to fulfill their extraordinary dreams of flying in a real ex-military Jet Fighter and Yak 52 aircraft.

Now anyone can experience their own "Top Gun" style or aerobatic adventure flight. Get ready for the thrill of high speed, the feel of high G's and the absolute adrenaline rush.

Our aim is to enable you to experience the flight of a lifetime in a safe, friendly and exciting environment. All flights are completely tailored to suit you and as mild or as wild as you like.

Whether you choose a single mission or a head to head dog fight, your flight is one you are sure to remember forever. Providing innovative in-flight recording with a world first, all aircraft are fitted with state of the art purpose designed recording equipment of digital broadcast quality.

Based in Ballarat with an unrivalled office, briefing, reception, viewing and hangared facility of any Adventure Flight operator in the country, we invite you enjoy the beauty of our rural setting with no controlled airspace considerations or time restrictions. Best of all your family and friends can watch all the action overhead. They can enjoy their own private air show!

It makes sense to fly with the best.

THE DREAM!**

# Jet Fighter Flights

## Jet Fighter Flights

**Introductory Jet Adventure Package** - 20 minutes engine time with 10 minutes spent airborne. Aerobatics and air combat manoeuvres including weightless flight 0 G's, barrel rolls, loops, victory rolls, derry turns, wing overs and combination air show style manoeuvres operating up to 12,000 feet. All of the basic manoeuvres in one short sharp burst.

**Intermediate Jet Adventure Package** - 30 minutes engine time with 20 minutes airborne. Same inclusions as the Intro pack plus more combination manoeuvres, low level high speed pass, simulated dive bomb attack. Operating to 15,000 feet. Repeat the manoeuvres you loved. More than just the basics.

**Deluxe Jet Adventure Experience** - 40 minutes engine time with 30 minutes airborne. Same inclusions as the Intermediate pack plus a sortie to the training area for dive bombing attack and venture a bit further to experience even more air combat manoeuvres. Operating to 15,000 feet. The adventure for those with extra endurance!

**The Ultimate Jet Adventure**- 60 minutes engine time with 50 minutes airborne. Same manoeuvres as in the Deluxe pack all performed over the glorious Twelve Apostles or The Grampians. Your pilot will give you an in depth commentary of the area both to and from the destination. Operating to a height of 15,000 feet before descending to enjoy the view below. The **ULTIMATE** adventure experience!

# Aerobatic Flights

## Aerobatic Yak 52 Flights

**Yak Starter Pack** - 30 minutes engine time with 20 minutes airborne. Aerobatics and air combat manoeuvres including weightless flight 0 G's, barrel rolls, loops, victory rolls, derry turns, wing overs, spins and combination air show style manoeuvres. High speed initial and pitch approach into the circuit.

**Middle Yak Pack** - 45 minutes engine time with 35 minutes spent airborne. Same inclusions as the Starter pack plus reconnaissance mission over the towns of Creswick and the major sites of Ballarat. Ideal for a full experience of this magnificent aircraft.

# Air Combat Flights

## Air Combat Dog Fights

**Deluxe Air Combat Experience** - 50 minutes engine time with 40 minutes airborne. Depart in formation, flying close enough to see the colour of the opponents eyes. Take on your opposition head to head in a mock air combat attack. Perform lead and chase manoeuvres and take evasive action to avoid being shot down! Before returning to base victorious for a formation landing take in a session of aerobatics including barrel rolls, loops, victory rolls, derry turns, wing overs, spins and combination air show style manoeuvres.
