

Australian Jet Adventures

Are your visitor's adrenalin junkies, seeking for the ultimate adrenalin rush, the thrill of a lifetime then Australian Jet Adventures is for them. The opportunity to experience an ex-military fighter jet BAC 167 Strikemaster, carrying out its full aerobatic and combat manoeuvres. Clients undertake a briefing session, are then suited up in the fighter pilots attire that consists of fighter pilot suit, helmet and oxygen mask and the slim line parachute. You are positioned right next to the pilot so that you can experience exactly what any fighter pilot in the Air Force would experience. This is where you embark on the experience of a lifetime, with manoeuvres that will completely blow your mind from high speed passes to performing turns and gentle wingovers. Australian Jet Adventures caters all requests, from individual joy flights with a difference, to corporate functions, product launches, staff break-ups even the wedding photos can have a unique flare to it. Packages are worked out on a time scale, Australian Jet Adventure will have a package that suits your requirements to experience one of your life long dreams.
